Victor,

My apologies for any confusion I may have caused. I've been trying to get my files in order now that we're finally settled in at a permanent location in LA, and the only outstanding issues I have with regards to Archie Comics are:

1) Original art to 3 stories I worked on which were printed in SONIC #152, 159 and 169. These were edited by Mike Pellerito.

2) A copy of the work-for-hire form that Scott Fulop originally sent to me. This was back in late '95.

If you turn up either the form or the original art or both, it would

greatly be appreciated if they were sent to the following address:

Ken Penders  
824 S. Norton Avenue  
Los Angeles, CA  
90005-3656

In the meantime, here's wishing you and your family a safe, happy and healthy holiday season. Thanks very much. Take care.

Best,  
Ken

Are you sure you have the numbers of those issues correct. I think

Fulop was long gone when those were published. Let me know.

Victor,

As I didn't want to take up too much of your time during the phone conversation, besides requesting the Work-for-hire agreement I signed under Scott, the original art in question is from the later SONIC issues I worked on which I wrote, pencilled and inked from #152, 159 and pages I inked from #169. Thanks.

Best,

Ken Penders

Victor,

I hope the New Year has started off on a positive note for you and yours. As I haven't heard from you in response to my previous e-mail, I gather it's been as hectic a holiday season for you as it has been on this end. I've been trying to get my files in order now that we're finally settled in at a permanent location in LA, and the only outstanding issues I have with regards to Archie Comics are:

- 1) Original art to 3 stories I worked on which were printed in SONIC #152, 159 and 169. These were edited by Mike Pellerito.

If the items can't be located, please let me know so I can check this off my list. Thanks very much. Take care.

Ken
